Only registered guests are allowed on Property or within your accommodation.

You must maintain a distance of 6 ft. min from people outside your party? (Special emphasis to practice this guideline around pool, beach, etc.)

Hand sanitizing stations and restrooms are throughout the property. Use them frequently and liberally.

Proper hand-washing techniques should be observed at all times, especially after touching frequently used surfaces like doors, elevators, railings, etc.

In situations where social distancing is not possible, it is highly encouraged that you wear a mask.

You should try to avoid touching your face, eyes, nose, mouth, etc.

If you sneeze/cough you should do so into a tissue and immediately discard and wash your hands.

Staff members will only provide in-room services when your accommodation is unoccupied.

Items left behind after your stay will be discarded.

You should not congregate in groups of 10 or more.

Limit your interactions and exposure to other people and staff.

- Calling the front desk, restaurant or any other departments with questions or needs instead of visiting whenever possible.
- When checking out, call the front desk to notify them of your vacancy, leave keys in your accommodation and a copy of receipt will be emailed.

If you or anyone in your party begin to feel ill during your stay, you must notify the hotel immediately.

Signatures of guests acknowledging and agreeing to abide by all of the above:
